The applications on the attached list have been Registered last week within the Formartine Area of Aberdeenshire Council and can be viewed using the online Planning Register (<https://upa.aberdeenshire.gov.uk/online-applications/>).

Community Councils wishing to be consulted on an application should contact the local planning office within 7 working days. Any comments from community councils should be submitted within 14 days, unless an extension of time for comments has been agreed with the planning officer.

Any person wishing to make comment on an application should do so by the date specified in the list. Please note the date for comment will extend if neighbour notification or advertisement is required. Please quote the reference number and state clearly the grounds for making comment.

Comments can be submitted using the Planning Register when viewing the application. Please note that any comment made will be published on the Planning Register.

Please note that some applications require to have site notices posted at the site. As a result of Covid-19, the Scottish Government has passed emergency legislation which now removes this requirement. The alternative is that these notices will be published in the documentation associated with the relevant planning application file published online on the Council's Planning Public Access Register.
