

## THE CRISP PACKET RECYCLING SCHEME

NHS Grampian has signed up with **Terracycle** in order to recycle crisp packets. Crisp packets are notoriously difficult to recycle and unfortunately, most of these end up at landfill sites. Walker's Crisp will donate £2 for every kg of crisp packets to **Scotland's Charity Air Ambulance (SCAA)** which will be coming to the Grampian area in 2020.

Help us to keep crisp packets out of landfill, recycle, and raise money for charity! Donate your crisp packets!

**Any brand of crisp packets accepted!**  
**Multipack bags accepted!**

Set up a donation box in your area! Once it's full, please send to:

Crisp Packet Recycling  
Facilities & Estates  
Foresterhill Health Campus  
Aberdeen  
AB25 2ZN

Waste that is not accepted:  
Popcorn  
Crisp  
Pretzels  
Meat snacks
