  - **PAT - PUT - UCA - UCTC - UCC** :- Establish understanding of Function / constitution; Structure / Scope, Objectives; Interface / interdependency. Communication.
  
7. **Items discussed at Previous meeting.** -
  - **UCC Membership:** Proposal for a 'mail drop' - expenditure !?
  
  - **Village In Bloom:** Current situation regarding Pitmedden / Udny Green Floral display funding. Update.

- **Rainneshill / JKR Quarry Application**: No update - pending Area Committee review.
- **Flood Risk Management Plans SEPA - Public Consultation**: Secretary responded 28<sup>th</sup> October 2021.
- **Defibrillator training**: requested by Hattoncrook to be arranged between George Duncan and Paul Bailey at earliest opportunity- Update.
- **Road speed** :- Secretary contacted Principal Roads Engineer again on 28<sup>th</sup> October 2021 regarding earlier discussions re Buffer zone at approach from the south. Still no response received to date. *Other options ???*
- **Dog Mess**: Composting is a viable option. Should activity such as suggested the level of engagement required of owners to consistently use receptacles would be challenging. Implementation would require procurement of necessary 'hardware' and a program of volunteer 'collectors / processors'. 'SentralBark', should it receive approval, could be a regular 'supply' source. **Subject to remain on agenda for further consideration.**
- **Improvement Service regarding a potential project for CC's** - connectivity and communication with your community. Members agreed that the 'strand 2' would be worth pursuing. Status!
- **Request for provision of a Commemoration Wreath for Udney Green**: Outcome ?
